## *PINOT GRIGIO*

*mmm good White Wine...*

100% Estate Grown, light, bright with subtle fruit & clean finish. Ripe pear, peach and honey notes- This is a great sipping wine! Our sloping vineyard produces great fruit with an acid backbone that balances the forward notes. Pair it with shellfish, seafood, cheeses & other lighter dishes.

Gris or Grigio? It's the same grape... We call ours Pinot Grigio because when we started it was the first year we could legally say "Grigio" in Oregon.
